

# PRINTED BEDDING FOR YOUR DIRECT ADVERTISING

100 % cotton, 115 Renforce/200 percale bed linen

Personalization: any kind of design can be applied - logo or photo

Bedding is made by best **reactive printing technology** in Slovenia. Flawless high quality, printed on request, **optional finishing with fine embroidery**. Possible to print any design on pillow case, duvet cover, flat or fitted sheet.

If you need a special packaging, BearDream can take care of it (additional cost)

Promotional bedding can **used by any brand** and especially **for sport, music, culture fans**.

Companies often use it to strengthen brand awareness inside their company **by giving their employees their own branded bedding**. Being proud on company where you work and sleeping in such bed is highest level of employees' commitment to a brand. Loyal employees is a valuable thing. **Personalization can be done all over a pillow case and duvet cover**, with upper and lower part of it in same or different design. As you want it to have.
