

# Printed kids hooded towels

**CUSTOM-MADE, 100 % COTTON**  
**100 % COTTON, REACTIVE PRINTING TECHNOLOGY**

A beautiful design makes it a unique product that your customers will surely remember you by. A custom made towel with a hood in the middle, perfect for at home use or for a visit at the pool or the beach...

## COLORS AND DESIGN

There is almost no limit in creating a design for the kids hooded towel made with velour material. Its smooth surface allows us to print even the smallest of details... That is why we can print any photo, illustration, complex graphics or simple logos on velour. You can choose any pantone color for your design, as many as you want. On the other hand, kids hooded towels made with terry material are best for simpler, not as complex designs.

Your chosen colors and design will be permanently applied with our reactive printing technology that creates a very sharp resolution - up to 720dpi. Feel free to create your best design and we will print it on your new promotional towels for kids.
