CUSTOM-MADE TOWELS
100 % COTTON, REACTIVE PRINTING TECHNOLOGY

A custom-made bag that unfolds into a beach towel - a double exposure for your brand's logo! A towel that makes great impact on your customers.

COLORS AND DESIGN

Choose any Pantone colors, but keep in mind to use your brand's signature colors if you can. There is almost no limit when it comes to creating a design for a velour towel bag. On the other hand, towel bags made out of terry material are best for simple designs.

Your chosen colors and design will be permanently applied with our reactive printing technology that creates a very sharp resolution - up to 720dpi. Feel free to create your best design and we will print it on your new towel bags.
